Do I Qualify?

The program helps adults ages 65 and older and people with disabilities ages 18 and older in Michigan. Call us at 734.282.7171 to find out if you or a loved one qualifies.

What's Next?

People who are eligible can receive the services they need to stay in their home, or a home of their choice. Many costs for services and care can be covered by the program. The Information Center will help you plan and arrange your care. You always get to help decide what is best for you, even choosing your own caregiver. We help you throughout the process and we meet with you often to adjust your care plan if your situation changes.
